About INFOCAST

COMPANY PROFILE 滙港資訊公司簡介

Incorporated in 1996, INFOCAST LIMITED is a leading financial information, trading, technology and total solutions provider in Hong Kong with a proven track record servicing the major Banks and Brokerages across Asia.

We are the first and only Hong Kong vendor to provide a complete one-stop service – including real-time financial information, market data terminals, trading platforms, settlement systems, risk management systems, online portal services and mobile applications.

Our product portfolio ranges from cost-effective turn-key retail-level platforms to highly customized enterprise-level solutions to best suit your business needs.

We use the latest technologies and infrastructure to deliver the highest performance, resilience, robustness and security. All products also support multi-companies, multi-markets, multi-products, multi-currencies and multi-business models.

As a complete trading solutions provider, our professional team ensures ongoing support and maintenance. Our products are regularly upgraded to provide the latest features, functionality and technology. It is our mission to ensure that your business is well-equipped with the solutions to achieve your goals and requirements.

滙港資訊於1996年成立，是一家全方位財經資訊，交易交割系統及全面解決方案供應商。是首家亦是本地唯一一家供應商可以提供一站式金融資訊及交易交割服務平台。
