### Overall Comments from Assessors

此作品提供全方位解決方案，包括為前端投資者提供視像資料及概括分析報告，又為後勤部門提供快速的結算程序及在短時間內處理大量交易。過去16年，該公司為許多主要的本地及國際投資銀行、經紀公司提供相關服務，市場佔有率約40%；反映出此作品具穩健、可持續研發的優點。

The solution fosters a total solution for visual rich information and summarized analysis reports to the front-end investors and fast settlement processing at the back office to complete transactions of large volume but at a very short time. For the past 16 years, the company has served a large number of major local and international investment banks and brokerage firms, with a market share of around 40%. This well demonstrates the robustness and on-going innovation of the solution.
